

2018 TRAINING CALENDAR

About Us

Lonadek is a Sustainable Asset Development , Maintenance Consulting Company and a multi-award winning firm that has maintained her ISO 9001:2008 certification since 2010, with operations in Africa, Europe and the Middle East. We are committed to developing capacity, capability and competence across the various sectors of the economy. Our aim is to identify, develop and engage local talent while leveraging on technology to maximize productivity and profitability. Lonadek has provided services to: Chevron, ExxonMobil, Total, Shell, Addax Petroleum, StatOil, AGIP, KBR, Foster Wheeler, NETCO, NNPC, Marine Platforms, Intels Services, Cadbury, TINAPA and many more. Because of its strategic alliance partnership with proprietors of world class technologies, participants are better positioned for employment and equipped for improved service delivery.

Our Training Offer

We offer Technical and Non-technical courses. Discounts are available for early-bird registration and group bookings.

Customized Programs are specially designed and tailored

- To suit clients' needs;
- To accommodate clients' regular demands; and
- To create value-adding and internationally certified capacity development opportunities for our clients.

PLEASE NOTE

- Customized Programs will only hold if there are minimum of seven (7) participants duly registered for the program, The duration for the Customized Programs are subject to change depending on the specific arrangement(s) made with the client(s).
- Lonadek reserves the right to postpone or cancel a course due to unforeseen circumstances. In such cases delegate(s) will be registered for the next run of the course.
- All Technical and Non-technical Courses can be requested for specially as an in-plant or dedicated program to suit clients' specification. Dates on this calendar will not run on weekends unless otherwise specified.
