# What Our Clients Say

**Archibong Charles Imoh** ★★★★★
@CharlesImoh

The safety operations and installation program was very good and interactive. This aided a better understanding of the training.

**Ekanem Emmanuel Usen** ★★★★★
@EmmanuelUsen

The training was enlightening; emphasizing on the importance of competent project team formation as a strong way to successful project management.

**Bunmi Obembe** ★★★★★
@BunmiObembe

Lonadek is one of the foremost in capacity building for Oil & Gas industry in Nigeria, particularly in the area of Process Engineering… With a significant contribution to the growth of Local Content in the upstream sector of the Nigerian Oil & Gas Industry.

**Mr. Nwosu Chidi** ★★★★★
@NwosuChidi

The Programme was excellently delivered including the subject matter expert and consultants who helped to increase my competency and knowledge on Offshore and Onshore Pipeline and Design Work with particular emphasis on Project Management Techniques and Principles.

**Reuben Eteure** ★★★★★
@Reuben Eteure

I write to appreciate you for the AACE Cost Engineering Training held with your company last year August. Kindly extend my gratitude to the facilitators. I am now a Certified Cost Engineer (CCP), as I passed the exam on my first attempt...God Bless Lonadek Team.

**Ayodele Solomon Kupoluyi** ★★★★★
@AyodeleSolomon

After completing the ICDL module on presentation, the next seminar I delivered in a workshop as a resource person earned me great applause because I had quickly applied what the Facilitator taught us in class to further fine-tune my slides before going for the workshop. The workshop was a national workshop.

**Ms. Azuike Victoria** ★★★★★
@Azuike Victoria

The ILM Document Control & Management Training was highly interactive, engaging and very interesting.

**Miguel Ndombele - Angola** ★★★★★
@Miguel Ndombele

The quality of delivery of the consultant made it so easy for me to understand, develop and obtain new skills on applying the core tools of SACS in my work.
